SUPPORTING THE CLUB

Cricket has now been played on Eltisley Green for 155 years. Many cricket clubs are struggling to survive and we have not been without our difficulties in recent years. The Club relies heavily on the village and wider community in terms of support, advice and donations. Many thanks go to those who have helped already. If you would like to support the club in any way, however small, come along to a match or contact us: **01480 880152** or email eltisleycc@googlemail.com
